Club Programs:

- **Comprehensive program:** Students will be assigned to a small group of peers their age and gender to participate in various activities to meet program goals (see below). Each child will be assigned a mentor that will monitor their participation and progress in the program.
 - **During the school year:** Monday through Thursday schedule is conducive to education and exercise: play/activity & study time. While Friday & Saturdays are devoted to group meetings and activities, participation in various classes, planning events, or just to “hang out” with peers in a safe environment.
 - **Summers and holiday time:** The schedule will offer camps, ongoing classes, fun activities, presentations, and special events to engage them and encourage participation.
- *Adult supervision and mentors are on site and monitoring at all times.
*Snacks and meals available.

Program Goals:

- We encourage participation in activities that will improve their physical health
- We encourage improving educational skills in study rooms equipped with computers and tutoring is available.
- We educate them on financial stability to help prepare them for raising a family.
- We encourage good character skills to improve self respect, confidence, and integrity.
- We introduce them to our Lord Jesus Christ. We are not a church nor a religion. The Christian life is about relationships that reflect grace, love, and mercy.
- We educate them on Bible-based morals and values to empower and equip them to make right decisions in situations they may face on their own.
- We encourage participation in the serving and giving to those in need in their community and country.

Today's Teenagers

- Currently we have the largest population of teenagers in American history (33 million)
- 60% of America's children are overweight
- 40% of America's children are fatherless
- SAT scores have plummeted for the last 18 consecutive years
- 1 in 3 girls and 2 in 5 boys are sexually molested before the age of 18
- The number of teens going into treatment for addiction to prescription drugs has risen by over 300% over the last 10 years
- Teenagers spend on average 45 hours per week in front of screens (TV, internet, movies)
- Average age for first sex is 15.8 years old
- 90% of kids between the ages of 8-16 have viewed soft-core pornography online and most while doing homework
- Less than 4% of those born after 1984 are bible based believers

WHERE THIS GENERATION IS GOING, SO WILL THEY TAKE OUR NATION. OUR GOAL IS TO CHANGE THAT DIRECTION AND GIVE HOPE FOR A PROSPEROUS FUTURE

WANTED: Parents, Grandparents, Young Adults, Youth Workers and other passionate people who are concerned for our younger generation. To learn more about the Mountaintop Youth Clubs of America and how you can help, please check our website. Whatever time, treasure or talent you have to donate to these facilities is GREATLY APPRECIATED.

THANK YOU!
