- We encourage participation in activities that will **improve their physical health**.
- We encourage **better educational skills** in the study rooms with computers and tutoring available.
- We educate them on **financial stability** to help prepare them for raising a family.
- We promote good **character skills** by teaching self-respect, confidence and integrity.
- We encourage a **relationship with our Lord Jesus Christ**. We are not a church or a religion.
- We help them develop **Bible based morals and values** and equip them so that they stand strong in their faith no matter the situation they may face on their own.
- We educate them on the **privileges of being a citizen** not only of America but also of the Kingdom of God. We teach them to serve and to give to others in need within their family, their community, and their country.

****Proverbs 22:6** says train up a child in the way they should go, keeping with their gifts and talents, so that when they are old they will not depart from it.

****EVERY CHILD WILL BE ASSIGNED A MENTOR****
